Answer

MINISTER OF HUMAN RESOURCE DEVELOPMENT

(SMT. SMRITI ZUBIN IRANI)

(a) to (d): University of Delhi has reported that the Choice Based Credit System, including conversion to grades and preparation of results have been implemented as per the guidelines recommended by the University Grants Commission (UGC) with the approval of the Executive Council of the University and no changes were introduced in the formula provided by the UGC. However, the University has received some representations from the students. Accordingly, a Committee has been constituted by the University to suggest possible steps to be taken for the removal of the shortcomings, if any. It is pertinent to mention here that University of Delhi is a statutory autonomous institution established by an Act of Parliament and governed by the DU Act and Statutes and the Ordinances framed there-under and is competent to take action in academic and administrative matters of the University.
